

Minutes of Club Meeting September 17, 2009

Hi everyone! What a great meeting we had on Thursday, the 17th of Sept. Scott Petty called the meeting to order. Bob Shindhelm gave the Treasurer's Report and we have a cash balance of \$1,301.12, which is excellent for this time of the year. It was announced that the radio tune-up day is scheduled for Sept. 26 at Dan Weilacher's residence. (Dan had to cancel later because of out of town business). We were reminded that the Fall Picnic & Swap Meet is coming up on the 10th of Oct. Central Park in Broken Arrow. Members will be sent an email with details of the event and there will also be information and a map posted on the website. A revised calendar of events will also be emailed to members. Curt Lutz (if he is feeling better) will be presenting the October meeting program on tube testers. This meeting's program was presented by Gene Vickery. We listened to a fascinating interview with long-time KVOO broadcast engineer, Ernie Frisco.
