Happy New Year everyone. With that said Scoot out going President turned the meeting over to the new President Gene vickery. First order of business was to present Scott with and Antique Radio for his excellent three years as President. Dan Weilacker found a very nice 1935 Philco butterfly. Its in un reatored condition.

A little bit of business was dicussed and we went right into the Program.

We were treated to some short takes about radio in the early days from Ben hennihie

We had several new members and several paid there dues. We had 17 signed in.

The donation auction was nice and some very nice radios were sold.
