

## **ASSOCIATION MONTHLY MEETING MINUTES**

**DATE:** August 21, 2014

**LOCATION:** Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Gene Vickery, President of the Association. Fourteen members (or visitors) signed the attendance roster.

### **GENERAL TOPICS**

Information was offered on the fall swap meet. Stewart Hale was introduced. He donated several radio chassis to the club and is looking for old radio cabinets.

### **PROGRAM**

This month's program was presented by Randy Beeson. The topic of discussion was OP-20-G versus IJN. Randy discussed the cold war between Japan and the USA for the 30 years before WWII and how radio "changed the ballgame". He also discussed the Japanese red code machine (Hebern Cipher Machine). Randy will present part 2 in next month's meeting.

### **ITEMS OF INTEREST**

A 1924 Radiola was brought by Bob Shindhelm. It was the first commercially produced superhet (6 tubes) and cost \$260 in 1924.

### **AUCTION**

Pair of walkie talkies and a television pattern generator. Total proceeds were \$2.00.

The next association meeting is scheduled for Thursday, August 21, 2014 at 6:30 PM. The meeting ended at approximately 8:30 PM.
