

ASSOCIATION MONTHLY MEETING MINUTES

DATE: February 19, 2015

LOCATION: Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Randy Beeson, President of the Association. Ten members (or visitors) signed the attendance roster.

GENERAL TOPICS

Comments were offered regarding the upcoming Green Country Hamfest (March 13/14 in Claremore), including potential door prize participation by HLARA. A decision was made to contribute a door prize. This year, HLARA will have a table at the event to help promote the club and support this area ham event.

PROGRAM

This month's program was presented by Gene Vickery on the topic of low power transmitters (primarily AM). Several commercially available units were covered, including SSTRAN (models 3000 and 5000) and Ramsey (model AM25). FCC rules regarding maximum transmission power were mentioned during the presentation. Gene also showed a video of a tube-based transmitter.

ITEMS OF INTEREST

Items of interest brought to the meeting included a low-power FM transmitter, a homemade transmitter, plus Crosley and 1947 Electronic Laboratories radios.

AUCTION

No items were brought for auction.

The next association meeting is scheduled for March 19, 2015 at 6:30 PM. The meeting ended at approximately 8:30 PM.
