

ASSOCIATION MONTHLY MEETING MINUTES

DATE: March 19, 2015

LOCATION: Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Randy Beeson, President of the Association. Nineteen members (or visitors) signed the attendance roster.

GENERAL TOPICS

Comments were offered regarding the Green Country Hamfest (March 13/14 in Claremore). This year, HLARA had a table at the event to help promote the club and support this area ham event. The club donated a door prize (Baofeng UV-5R-V2 transceiver). The Summer Sizzler is scheduled for June 13 at Asbury Methodist Church.

PROGRAM

This month's program was presented by Scott Petty on the topic of Safety Practices. The presentation included various aspects of safety including: safety attitude, workbench safety, test equipment and tools, preventing electrical shock, fuse protection, polarized plugs, dim bulb tester, variable isolation transformers, line safety, soldering safety, fire prevention and antenna safety.

ITEMS OF INTEREST

Items of interest brought to the meeting included a soldering iron station, Tenma solder fume manager, isolation transformer, plus the Curt's Model 10 Atwater Kent breadboard which drew attention at the Green Country Hamfest.

AUCTION

Several items were sold at auction. The list included: tube tester, radio/tv electronics' manual, box of tubes, calendars and a crimping tool.

The next association meeting is scheduled for April 23, 2015 at 6:30 PM. The meeting ended at approximately 8:30 PM.
