

ASSOCIATION MONTHLY MEETING MINUTES

DATE: July 16, 2015

LOCATION: Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Randy Beeson, President of the Association. Twelve members (or visitors) signed the attendance roster.

GENERAL TOPICS

The Summer Sizzler (in June) had better attendance than the previous year. Promotional efforts (including articles in neighborhood newspapers) helped. The fall swap meet location will be in the White House. It is scheduled for September 26.

PROGRAM

This month's program was presented by Gene Vickery. He showed a video interview discussion (recorded in the mid-1980's) with Harry Rasmussen (studio engineer with KVOO radio and television for many years). He provided insights into KVOO programming and coordination with national programs.

ITEMS OF INTEREST

Items of interest brought to this meeting included: Majestic 1933 "treasure chest-style" radio; Jackson signal generator; Delco 1948 1410 radio; 1938 RCS 96T1; Minerva-brand "morale" radio; and a "golden own" solid state radio.

AUCTION

Several items were sold at auction. The list included: a continuity tester and a 1943 book (Applied Math for Technical Students). Total proceeds: \$4.00.

The next association meeting is scheduled for August 20, 2015 at 6:30 PM. The meeting ended at approximately 8:30 PM.
