

ASSOCIATION MONTHLY MEETING MINUTES

DATE: September 17, 2015

LOCATION: Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Randy Beeson, President of the Association. Eleven members (or visitors) signed the attendance roster.

GENERAL TOPICS

The fall swap meet location will be in the White House. It is scheduled for September 26. Members would like a list of videos/dvd's which are available for use by members. Curt offers a set of dvd's which were made during the vacuum tube technology courses he taught several years ago. The cost is \$15/set.

PROGRAM

This month's program was presented by Scott Petty. The topic was "The Voice of the Crystal-Radios that work for free". These radios need a good antenna and ground. The 1N34A germanium diode is the modern detector replacement. High impedance head phones are needed. Some of the radios mentioned were: The Cub Scout radio, Quaker Oats radio, Rocket radio and the Foxhole radio.

ITEMS OF INTEREST

Items of interest brought to this meeting included: Radio Shack crystal radio kit; Nora brand German radio and a Rocket radio.

AUCTION

Several items were sold at auction. The list included: Model 30 Atwater Kent; code oscillator; RCA (All American Five); Crosley Type 1121; Philco model 55 and 1924 Neutrodyne Model 99. Total proceeds were \$28.00.

The next association meeting is scheduled for October 15, 2015 at 6:30 PM. The meeting ended at approximately 8:30 PM.
