

## ASSOCIATION MONTHLY MEETING MINUTES

**DATE:** July 21, 2016

**LOCATION:** Hardesty Library (Tulsa, OK)

The meeting was called to order at 6:30 PM by Randy Beeson, President of the Association. Eighteen members (or visitors) signed the attendance roster.

### GENERAL TOPICS

Scott Petty presented a tribute to our long-time (and Charter) member and radio enthusiast, Andy Anderson, who passed away on June 24. The HLARA Sizzler event was held on June 11, 2016. Curt is planning a large auction (tentatively in the fall) located in Collinsville.

### PROGRAM

This month's program was presented by Randy Beeson. The topic was the SMS Emden (a German light cruiser) vs HMAS Sydney (an Australian Leander-class cruiser), their history and confrontation during WWI. Randy included comments related to the radio technology used at the time. The Germans used a Telefunken "quenched spark system" which was generally more powerful. Communication was via Morse code.

### ITEMS OF INTEREST

Items of interest brought to this meeting included: German EMUD Jr. radio (early 1960's), a 1946 Motorola, a 1948 Zenith "Boom-a-rang" radio and a 1928 QST Magazine.

### AUCTION

Several items were sold at auction. The list included radios, parts and books (some donated by Andy Anderson's family), plus various other items. Total proceeds were \$120.00.

The next association meeting is scheduled for August 18 at 6:30 PM. The meeting ended at approximately 8:30 PM.
