

The meeting was called to order in room 1335 at 6:30 PM by Earl Stutzman. Gene Vickery moved that the minutes for the meeting 3/18/21 be approved as posted on the HLARA website. Motion carried. Earl Massoth gave the treasurer's report. We have money in the bank and no outstanding debts.

Old Business: Earl Stutzman checked with Jenny to see if there is a Saturday in June that we could reserve for the Summer Sizzler. Jenny said she was waiting to be contacted by Gene Vickery, as he had done in previous years. Gene will contact Jenny to get possible dates.

New Business: Our monthly meetings will be in Room 1335. This is directly across from our old meeting room. Enter North entrance and turn Right instead of Left.

Show and Tell:

Gene Vickery - Custom circuit board he designed to go in Dynaco Stereo 70 amplifier. The new board uses 6AN8 tubes instead of 7199 tubes that are no longer available.

Randy Beeson - Trav-Ler radio fully restored.

David Cox - GE model BX TRF radio. Fully restored.

Presentation:

Jerome Thomas made an excellent presentation on tips and tricks he has learned in refinishing radio cabinets. He also handed out a written guide which included a list of supplies he uses.

Door Prize winner: Walt Murray - Silvertone Model 6200A table radio with AC converter.

Auction: Delmonico Stereo AM/FM record player, VM changer, Zenith wave magnet antenna, Silvertone antenna, 1-cup coffee maker, Tektronix oscilloscope model 466, Hallicrafters S38, Zenith Transoceanic, bag of tubes, box of small tools, TRF radio, Grebe Synchrophase (no cabinet), veneer strips, Kolster TRF, Station call sign labels, Truetone D699 (no cabinet), Security camera, Retro reproduction radio/phono/cd, TV surround speakers, box of miscellaneous cords and wall warts
