

The meeting was called to order at 6:30 PM by Earl Stutzman. The minutes for March 17, 2022 were approved as posted on the HLARA website. Earl Massoth gave the treasurer's report. There were no debts to be paid in March and there is money in the bank.

Scott Petty introduced Shelton Hahn, a new member and Walt Murray introduced Jon Harmon. A show of hands indicated the Green Country Hamfest was well attended by those present. There will be a local Broken Arrow Hamfest at Asbury Church in September. The HLARA Summer Sizzler will be July 23 in the Asbury Church Family Room.

The Presentation was a demonstration of radio alignment by Gene Vickery. He aligned a 4-tube Westinghouse, a Philco 49-1100, and a Majestic 62A. Time ran out before aligning the Stromberg-Carlson 340V.

#### Show and Tell:

Packard-Bell weather radio, Low power AM transmitter (tube type), Car radio with separate dash control unit, Eico and Heath RF signal generators, Philco portable radio

The door prize was a Bendix table radio, won by Steve Richards.

#### Auction:

There was huge auction bringing in nearly \$300. It included a Magnavox horn speaker, tube tester, Fairbanks Morse radio and big speaker, an Eico signal generator, two new transmitter tubes, and lots more.
