

The meeting was called to order at 6:30 PM by Earl Stutzman. The minutes for May 19, 2022 were approved as posted on the HLARA website. Earl Massoth gave a treasurer's report. Asbury has been paid for use of the facility for the Summer Sizzler.

Ron Lander made a motion that we have a meeting in July even though it would be just two days before the Sizzler. Scott Petty seconded the motion and it was approved.

Bradley Cobb showed a Zenith 500B and an Emerson 888.

Gene Vickery showed a rebuilt Philco compensating capacitor.

Jerome Thomas showed a Silvertone Rocket radio.

Ron Lander showed a 1925 Kismet radio.

Randy Beeson showed a 1942 Emerson in beautifully refinished wood cabinet.

Shelton Hahn showed homemade grill cloth: starched, ironed, painted.

The presentation, given by Scott Petty, was about the Crosley 1936 WLW Super-Power Radio Receiver. The radio boasted 37 tubes, 6 Jensen speakers, 75 watts output, and cost \$1500, twice the price of a Zenith Stratosphere.

The door prize, a wooden Truetone, was won by Earl Stutzman.

The auction included miscellaneous parts for building an audio amplifier, a book about Philo Farnsworth, a DC power supply, a box of TV parts, box of tubes including a tuning eye.

Attendance: Randy Beeson, Bradley Cobb, Wes Eaton, Mark Gabby, Adrian Gilstrap, Shelton Hahn, Ron Lander, Eldon Loomis, Earl Massoth, Scott Petty, Daniel Presley, Earl Stutzman, Jerome Thomas, Gene Vickery.
