

The meeting was called to order at 6:30 PM by Earl Stutzman. The minutes for August 18, 2022 were approved as posted on the HLARA website. Earl Massoth gave a treasurer's report. There are no outstanding debts.

Earl Stutzman announced that the Broken Arrow Ham Radio Club will have a swap meet at Asbury on November 19, 2022 and we can combine our fall swap meet with theirs. Since the room is already reserved, we will not have to reserve the space or pay a rental fee. The meet will begin at 8:00 A.M.

The radio collection of Dave Marlor, recently deceased, is for sale. Jerome will go to Claremore to view it.

Mary Murray made a presentation about GE. The company began in 1890 and later employed 10,000 workers at its Schenectady facility. It began operation of WGY in 1922 which is still in operation today.

Bradley Cobb showed a GE P880A portable radio

Al Stevens showed a 1937 GE F-63 radio with Art Deco styling

Rick Larkin showed a GE 422 radio

Randy Beeson showed a 1953 GE 552 clock radio which is a replica of a Chevrolet car dashboard

Jerome Thomas showed a 1946 GE 205 and a 3/4 scale replica of a GE J100, commissioned by GE
